HISTORY

The North Idaho Centennial Trail Foundation was established in 1989 as a 501(c)3 nonprofit organization to assist in the development, preservation and promotion of the Centennial Trail. Paved in 2008, the Prairie Trail is the newest addition to the Centennial Trail System. The 4.25 mile spur brings access to the western side of Coeur d'Alene.

BECOME A MEMBER

The Foundation's work is funded entirely through memberships, donations and annual fundraising events such as the **Coeur d'Alene Marathon**, the **CDA Fondo** and **Ales for the Trail**. We would like to invite you, the trail enthusiast, to become a member and supporter of this beautiful asset to North Idaho. Please consider becoming a financial supporter of your North Idaho Centennial Trail so that it will always remain an integral part of your community.

VISION

Connecting the people of North Idaho with an expanding system of trails.

MISSION

To preserve and develop the North Idaho Centennial Trail system and promote non-motorized trail connectivity throughout North Idaho.

Trailheads open for use from 6:30 AM to dusk, March 15 through November 15

We recommend bringing drinking water, wearing a helmet when cycling or roller blading and giving an audible signal when passing. Please respect the ownership of adjacent private property.
