- Do not disturb plants or wildlife
- Do not block the trail

HISTORY
The North Idaho Centennial Trail Foundation was established in 1989 as a 501(c)(3) nonprofit organization to assist in the development, preservation and promotion of the Centennial Trail. In 2008, the Prairie Trail is the newest addition to the Centennial Trail System. The 4.25 mile spur brings access to the western side of Coeur d’Alene.

BECOME A MEMBER
The Foundation’s work is funded entirely through memberships, donations and annual fundraising events such as the Coeur d’Alene Marathon, the CDA Run and Bike for the Trail. We would like to invite you, the trail enthusiast, to become a member and supporter of this beautiful asset to North Idaho. Please consider becoming a financial supporter of your North Idaho Centennial Trail so that it will always remain an integral part of your community.

VISION
Connecting the people of North Idaho with an expanding system of trails.

MISSION
To preserve and develop the North Idaho Centennial Trail system and promote non-motorized trail connectivity throughout North Idaho.

Trailheads open for use from 6:30 am to dusk, March 15 through November 15.

We recommend bringing drinking water, wearing a helmet when cycling or roller blading and giving an audible signal when passing. Please respect the ownership of adjacent private property.
